

NAVIGATION ADVISORY NOTICE

RIVER STOUR

Ref: EAN002

DATE: 7 January 2025 until further notice

LOCATION: River Stour

DETAILS:

Issue: Fast moving and High Levels

Report: Please exercise extreme caution along the river Stour due to the current fast moving - high water levels the river is currently experiencing . Consideration should be made to personnel safety when in a close proximity to the river and any bank side access points along the river Stour.

Care: Please take extreme caution if in the area.

Next Update planned: 28 February 2025 (see our website www.visitanglianwaterways.org for the latest updates)

For further information, please contact the Environment Agency on 03708 506506 between 9am and 5pm Monday to Friday and ask for the Great Ouse Waterways team.

Katherine Briscoombe
Waterways Manager
30 January 2025

Anglian Waterways does not provide rescue services. If the matter pertains to lock operation, obstructions in channel , safety issues or speeding please contact us first. In the event of an emergency or distress please contact the emergency services in the first instance. Call 999 and advise what the emergency is.
