

EMERGENCY NAVIGATION CLOSURE NOTICE

Section 15 Anglian Water Authority Act 1977

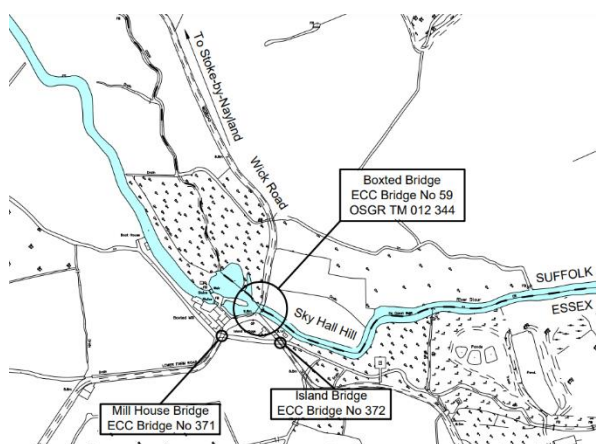

RIVER STOUR

DATE: 5 July 2023 - Until Rescinded

LOCATION: Boxted Road Bridge - Boxted

DETAILS:

Please be aware, Boxted Road Bridge Grid Reference TM012 344 will be closed to navigation until further notice. This is because following recent health & safety inspections carried out by Essex Highways it has been deemed the bridge is potentially dangerous to navigate. **Under no circumstances should anyone attempt to navigate beneath the bridge** at present. Signage and navigation closure booms are in the process being placed on site and Local Authority Highways Contractors are looking into portage provision around the closure until they can undertake remedial works.

For further information, please contact Vasileoou Papadimas Essex Highways at Vasileios.Papadimas@essexhighways.org in the first instance or the Environment Agency on 03708 506 506 between 9am and 5pm Monday to Friday and ask for the Great Ouse and Stour Waterways team. In an emergency call the Environment Agency incident line: 0800 80 70 60 anytime.
